Adoption of schedule 3 also allows the Council to set terms and conditions and fees for the grant, renewal, transfer and variation of such licences and the number of licences that may be issued in the area, including nil.

Foreword

North Norfolk District Council, hereafter referred to as the Council is situated in the County of Norfolk. The Council's area has a population of 101,499 (2011 Census). In terms of area it covers 991.97 square kilometres (383 square miles). The Council's area is mainly rural. These areas are shown in the map below.

The Council currently has no premises licensed as sex establishments.

This 'Statement of Licensing Policy' sets out the policy the Council will generally apply when making decisions on applications for Sex Establishment Licences. It also sets out information about the application process, what is expected of applicants and how people can make objections about applications. It also sets out the types of controls that are available to the Council when decision are made about licence applications and explains what action will be taken if complaints are received.

The policy should be read in conjunction with, and without prejudice to other existing legislation including the Human Rights Act 1998 and the Equality Act 2010.

1.0 Introduction

- 1.1 The Council resolved to apply Schedule 3 of the Act on the 18th December 1997 providing that anyone wishing to operate a 'sex establishment' within the district must first obtain a licence from the Council.
- 1.2 The Council resolved to adopt the provisions introduced by Section 27 of the Policing and Crime Act 2009 on the 19th December 2012 with a commencement date of the 1st April 2013.
- 1.3 This Statement of Licensing Policy for Sex Establishments sets out the Council's requirements for premises to be licensed as 'sex establishments' within the meaning of the Act (as amended).
- 1.4 This Policy was adopted by the Council on 24th June 2014 following formal consultation period as required by law.
- 1.5 Readers are strongly advised to seek their own legal advice if they are unsure of the requirements of the Act or schedules issued under the Act.

2.0 Consultation

- 2.1 Consultation on this policy took place with:
- The Chief Officer of Norfolk Constabulary
 - One or more persons who appear to the Council to represent the interests of persons carrying on or proposing to carry on the business of a sex establishment in the district
 - One or more persons who appear to the Council to represent the interests of persons to be employed either as performers or otherwise in the business of a sex establishment in the district
 - One or more persons who appear to the Council to represent the interests of persons likely to be affected by or otherwise have an interest in the policy including the Planning Authority, Fire Authority, Community Safety, Environmental Protection and Child Protection
 - Interested parties such as resident associations, trade associations and others as considered appropriate.
 - Ward Councillors
 - Town and Parish Councils
 - Norfolk Health Authority
- 2.2 The Licensing Authority will give due weight to the views of those consulted and the policy can be amended as appropriate. In determining what weight to give particular representations, the factors to be taken into consideration will include:
- Who made the representation and what was their expertise and interest
 - How many other people expressed the same or similar views
 - How the representation related to the matters the Council should include in its policy.

2.3 A full consultee list, comments received and the Council's considerations can be obtained by email to licensing@north-norfolk.gov.uk

2.4 The policy is published via the Council's website at www.northnorfolk.org

3.0 Definition of 'sex establishment'

3.1 A 'sex establishment' is defined under the Act as a 'sex shop', a 'sex cinema' or a 'sexual entertainment venue'. Full definitions of those terms can be found in Schedule 3 of the Act.

3.2 It includes any premises, vehicle, vessel or stall used as a sex establishment but does not apply to the sale, supply or demonstration of articles which are manufactured for use primarily for the purposes of birth control or primarily relate to birth control.

4.0 Location of Licensed Premises

4.1 The Council acknowledges that a concentration of licensed premises in a particular area can result in a potential fear of crime, anti-social behaviour, noise pollution and other disturbance to residents. In such cases the amenity of local residents can be placed under severe pressure.

4.2 The Council has not imposed a limit on the number of premises that may be licensed in any area, and will treat each application upon its own merits.

4.3 The Council expects that applications for licences for permanent commercial premises should be from businesses with planning consent for the property concerned.

5.0 Making an application

5.1 An application for the grant, renewal, transfer or variation of a licence must be made in writing to the Council in accordance with the requirements shown in Annex A to this policy.

5.2 An application form is available separately and an example of a public 'notice' for advertising is attached in Annex B.

5.3 Applications can be made in the following ways:

5.3.1 By post/personal service to:
Licensing
North Norfolk District Council
Holt Road
Cromer
Norfolk
NR27 9EN

5.3.2 Email: licensing@north-norfolk.gov.uk

6.0 Grant, renewal or transfer of licences

- 6.1 The Council may grant to any applicant or renew any licence for the use of any premises as a 'sex establishment' on such terms and conditions as may be specified.
- 6.2 A licence will remain in force for one year, or such shorter period specified in the licence, unless previously cancelled or revoked.
- 6.3 The Council may, if they think fit, transfer a licence to any other person upon application by that person.
- 6.4 Where an application for renewal of a licence is made before the date of expiry of the existing licence, the licence shall remain in force until such time as the application has been determined.

7.0 Variation of licences

- 7.1 The holder of a licence may apply to the Council to vary the terms, conditions or restrictions on or subject to which the licence is held.

8.0 Objections

- 8.1 Objections may be made to an application by any person.
- 8.2 An objection must be in writing and addressed to the Licensing Manager, at the Council stating the grounds on which the objection is made.
- 8.3 The Council will only consider objections that relate to the matters mentioned in paragraph 11 below. Objections should not be based on moral grounds or values.
- 8.4 Objections will only be accepted if they are made within the period of 28 days following the date on which the application was accepted by the Council.
- 8.5 The Council will not consider any objection that does not contain the name and address of the person making it.
- 8.6 Where objections are made the Council will provide copies to the applicant. However, the Council will not divulge the identity of the objector/s to the applicant without their permission to do so.
- 8.7 Where objections are made and not withdrawn, a hearing before a Licensing Sub-Committee will normally be held within 20 working days of the end of the period in which objections might be made, unless all parties agree a hearing is not necessary.
- 8.8 In all cases, applicants and those making objections that are aggrieved by a decision of the Council are entitled to appeal that decision to the Magistrates' Court.

8.9 Where no objections are made, the Council may grant the licence using delegated authority.

9.0 Determining applications

9.1 When considering applications, the Council will have regard to:

9.1.1 the Local Government (Miscellaneous Provisions) Act 1982;

9.1.2 any supporting regulations;

9.1.3 this Statement of Licensing Policy; and

9.1.4 any objections made.

9.2 This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.

9.3 When determining applications, the Council will take account of any comments or representations made by:

- Norfolk Constabulary;
- The Council's Environmental Protection and Commercial Teams; and
- Planning Services
- Norfolk Fire Services; and
- Any other relevant authority

9.4 The Council reserves the right to consult any other body that it considers appropriate.

10.0 Conditions

10.1 The Council will attach 'standard conditions' as specified in Annex C to this Policy document to all sex establishment licences.

10.2 Additional conditions may be added in the following circumstances:

10.2.1 When offered by the applicant as part of the application;

10.2.2 Voluntary following recommendations made by the Licensing Authority, Police etc;

10.2.3 By the Licensing Sub-Committee following receipt of an objection.

10.3 Applicants who wish to be exempt from the requirements of any of the 'standard conditions' should state, with full reasons why they should be so exempted, when making an application.

11.0 Refusal of licences

11.1 Except where the Council are prohibited from granting, renewing, varying or transferring a licence, the Council will not refuse a licence without first:

11.1.1 Notifying the applicant or holder of the licence in writing of the reasons;

11.1.2 Giving the applicant (or holder) of the licence the opportunity of appearing and making representations before a Licensing Sub-Committee.

11.2 In accordance with Paragraph 12(1) of Schedule 3 to the 'Act' the Council must refuse to grant or transfer a licence to:

11.2.1 A person under the age of 18;

11.2.2 A person who is for the time being disqualified from holding a licence;

11.2.3 A person who is not resident in the United Kingdom or was not so resident throughout the period of 6 months immediately preceding the date upon which the application was made;

11.2.4 A body corporate which is not incorporated in the United Kingdom;

11.2.5 A person who has, within the period of 12 months immediately preceding the date upon which the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

11.3 In accordance with Paragraph 12(2) of Schedule 3 to the Act the Council may refuse:

11.3.1 an application for grant or renewal of a licence on one or more of the grounds shown in paragraph 11.4 below;

11.3.2 an application for transfer of a licence on either or both of the grounds shown in paragraph 11.4.1 and 11.4.2 below.

11.4 The grounds for refusal are:

11.4.1 That the applicant is unsuitable by reason of having been convicted of an offence or for any other reason;

11.4.2 That if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application him/her self;

11.4.3 That the number of sex establishments in the relevant locality that the application is made is equal to or exceeds the number which the Council considers is appropriate for that locality;

11.4.4 That the grant or renewal of the licence would be inappropriate having regard to:

- The character of the relevant locality;
- The use to which any premises in the vicinity are put; or
- The layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

11.5 Nil may be an appropriate number for the purposes of paragraph 11.4.3 above although the Council has not set such a figure.

12.0 Revocation of licences

12.1 The Council may revoke a licence:

12.1.1 on any of the grounds specified in paragraph 11.2 above;

12.1.2 on either of the grounds specified in paragraphs 11.4.1 or 11.4.2 above.

12.2 The Council will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Sub-Committee.

12.3 Where a licence is revoked, its holder shall be disqualified from holding or obtaining a licence for a period of 12 months from date of revocation.

13.0 Cancellation of licences

13.1 The licence-holder may surrender the licence at any time and may request the Council in writing to cancel the licence.

- 13.2 In accordance with Paragraph 15 of Schedule 3 to the Act, in the event of the death of a licence-holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked. The representatives must comply with the conditions of the licence and should not be someone who would not normally be granted a licence in their own right subject to paragraph 11.2
- 13.3 Where the Council is satisfied that it is necessary for the purpose of winding up the estate of the deceased licence-holder, it may extend or further extend the period in which the licence remains in force.

14.0 Complaints

- 14.1 Where possible and appropriate the Council will give early warning to licence holders of any concerns about problems identified at premises and of the need for improvement.

15.0 Enforcement

- 15.1 The Council recognises that most licence holders seek to comply with the law. Notwithstanding, any enforcement action will be in accordance with the Council's Corporate Enforcement Policy.

16.0 Exchange of Information

- 16.1 The Council may exercise its power under Section 115 of the Crime & Disorder Act 1998 to exchange data and information with the Police and other partners.
- 16.2 Details of applications and objections which are referred to the Licensing Sub-Committee will be published in reports that are made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000.
